## How it all started

**a/n: Another Cleo/Lewis one-shot! This is the story of how they metâ€¦Hope you like it : ) **

5 year old Cleo clung on to her mom and dad's hands as she walked on the beach.

"Mommy do we have to go?" Cleo asked scared.

"Yes, we are already her. Don't worry today will be fun" her mom assured her.

"Okay" Cleo said.

Cleo laid down on her towel, coloring her coloring book on the sand.

"Come on Cleo! The water is nice" she heard her dad call. She looked at her parents having fun in the water without her.

Cleo got upset and ran to the other side of the beach. She fought her tears running away. Today was supposed to be special family day. It's not her fault didn't know how to swim. Cleo wanted to go in the water, but what if she got carried away to sea?

Even as a 5 year old she had worries about her getting hurt and being separated from her mom and dad because of the ocean. She never learned to swim because of fear.

A pretty shell caught her eye. She walked towards the shell not realizing how close to the water she was. She went to grab the shell

then a huge wave came and over towered her and pulled her to the sea.

Cleo kicked and screamed. "Help! Help me!" she figured it wasn't worth it. Her mom and dad were on the other side of the beach. She cried, trying to swim. She moved her arms, but she moved farther from the beach.

Suddenly a little boy, who looks the same age as Cleo, jumps in the water to save her. He held her and carried her to shore.

Cleo laid on the sand out of breath. " Thank you for saving me" she breathed, she noticed how beautiful his eyes are, a pretty blue green.

"You're welcome" he said with a smile.

"Are you an angel? Did you come to earth to save me?" Cleo asked, still controlling her breathing.

"No I'm Lewis and you are welcome" he said holding his hand out to her. She grabbed it, knowing she can always trust him. He saved her life.

She sat up wiping sand from her body. "My name is Cleo" she said. She got up and kissed his cheek.

"Hey you want to build a sand castle together?" Lewis asked.

Cleo smiled. " Sure"

And so Cleo and Lewis began.
